## what if it's true?

### Resurrection (part 2)

Roger Ellis | *Lead Pastor*  
Selected Passages

The resurrection of Jesus Christ from the dead sets everything else in motion. The doctrines of the Bible teach are not random, rather they are lined up like the most intricate arrangement of thousands of dominoes; all set in place until that one domino sets everything into motion.

#### If the resurrection of Jesus Christ from the dead is true then:

1. I must...
2. The Bible is true
3. God...
4. God really does love me
5. The Holy Spirit...
6. Sin and death have been defeated
7. I am...
8. I can really live in the midst of ...

#### the one thing:

The resurrection sets everything in motion!

# TAKING IT HOME NOTES FOR SMALL GROUP & PERSONAL STUDY

- 1 KEEPING IT REAL**  
Describe the most aggressive domino tumble you have ever attempted or witnessed. Who received the privilege of tumbling the first domino?
- 2 LOOK AT THE BOOK**  
Skim through the first 4 chapters of the book of Acts. How many times is resurrection the topic of discussion? Why were the disciples so persistent and bold with this topic? Why such opposition?
- 3** Why do you think Paul links knowing Christ with the resurrection in Philippians 3:7-14?
- 4 THE NEXT STEP**  
What is it that keeps the resurrection of Jesus Christ off most people's *radar*? What brings it on their (your) *radar*? What do you do when you know it is on the *radar*?

## NEXT STEPS

- Memorize Romans 1:4 & 10:9-10.
- Strategically place "the" domino.
- Email me the complete list of the "dominoes" from today's message.
