

BLINDED!

GOD...

Today we're going to learn about a man who thought he was following God and going the right direction with his life. But he wasn't. God had to stop him in his tracks to get his attention. He even lost his ability to see and have someone lead him around!

Let's see what it's like to have someone else tell you where to go and what to do. How successful will you be? How will it make you feel to do what someone else says?

SUPPLIES:

- Blindfold
- Maze template
- Pen or Pencil

DIRECTIONS:

1. Blindfold one child.
2. Give them the Maze template and a pen/pencil.
3. A second child will give the blindfolded child directions to get through the maze successfully.
4. When the first child completes the maze, have them switch places and try it again.
