

## A BIG LIE

After the angel rolled back the stone, the guards left Jesus' tomb and went into the city. They told the chief priests what happened. The chief priests and elders came up with a plan and gave the soldiers a large sum of money to tell people "His disciples came during the night and stole him away while we were asleep." They even promised the soldiers wouldn't get into trouble for telling this lie. This lie has been passed around to this very day. (Matthew 28:11-15)

## TASK

Who was told to lie about Jesus' body? Find their envelope.

The Soldiers were told to say the disciples stole Jesus' body. We know that's a lie. Find the 7-word sentence in the Angels Message Code Sheet to see what really happened.

Once you find the message, read it aloud, and open the envelope marked with the third letter in the last word.
