Join us to look through C.S. Lewis's book *The Screwtape Letters* with a biblical lens. We'll explore every shocking and amusing detail of this iconic classic to better understand Christianity and the foolish war raging against it.

Women's Group

We are privileged to be "entrusted" with the gospel message, but how does this truth soak into our everyday lives? In this group, we'll look into what Scripture has to say about the connection between joy and sacrifice, and how we truly put God at the center of who we are. Through Philippians and other passages, God has a lot to say to us about living as a disciple!

This group will go through two video studies: "Philippians" by Jo Saxton (September 8 – October 20) and "The Life You Long For" by Christy Nockels (October 27 – November 17). Please bring your Bible and expect a small amount of preparation each week.
