

HOW CAN WE MAKE DISCIPLES

Jesus gave His disciples a job to do—a great commission. Jesus commands each of us to make more disciples by sharing the Good News—that Jesus died to take our punishment for sin. We can share the Good News and make disciples right where we live!

Below are a few situations. Please read through each scenario and decide if the person is making disciples or not.

SCENARIOS:

1. Landon made friends with the new kid in class and invited him to church services.
2. Gabriella gossiped about her best friend.
3. Isaac told a lie. He then told his mom about it, asked her to forgive him, and asked God to forgive him.
4. Allison chose to share some of her toys and clothes with some kids who don't have as much.
5. Luke forgot to study for the test, so he looked on a friend's paper.
6. Destiny loves to draw pictures. Every week she and her mom take her drawings to people who live in a nursing home.
7. Anthony has been helping a boy in his neighborhood learn how to read. Since the boy didn't have a Bible, Anthony gave him one.
8. Isabella is a great violin player. She and her mom visit a residence in her community where people aren't able to get out much. Isabella takes her violin and plays for the people who live there.
