Would You Like to Get Well?

Dr. Daryl Donovan
Interim Lead Pastor

John 5:1-16 ESV

Today as we journey into John 5, we find a man who has been an invalid for 38 years. Jesus, full of compassion and mercy, heals the man. In the midst of this healing, we learn a lot about Jesus... and maybe a bit about ourselves as well! Maybe these 7 questions will help?

1. Will we be *intentional* about being a vessel of *healing* and *help* for others?
2. Are we a place for the *sick* to become *well*? Will they will find *mercy*?
3. Are we a church primarily for the *healthy*, or for the *hurting*... perhaps even the *invalids*?
4. Do you want to *get well*? Do you want to help others get *well*?
5. Do we really realize how amazing *grace* is... and how magnificent is HIS *MERCY*?
6. Has Jesus *found* you?
7. Who have you *told* about what *Jesus* has *done* for you?

TAKE HOME

1. How can we be *Bethesda*?
2. How can we *transition* to doing *ministry* the way Jesus did?
3. How can we be more aware of *opportunities* before us?
