Betrayal and Denial from Within

Dr. Daryl Donovan
Interim Lead Pastor

John 13:18-38

Jesus had been with his disciples three years, pouring into them. In the final days of His time with them, He experienced jealousy, selfishness, denial, and betrayal... and yet it says, "He loved them to the end." How do we love one another as Christ has loved us?

Deconstruct #1: Judas was *predestined* and had no *choice*.

Reconstruct: It *could* have been *any one* of them.

Deconstruct #2: The devil will be *obvious* and *ugly*.

Reconstruct: The devil will be *deceptive* and *attractive*.

A NEW COMMANDMENT *SANDWICH*

Deconstruct #3: Everything we do should be about the *message* of Jesus.

Reconstruct: Everything we do should be about the *love* of Jesus.

Deconstruct #4: I'll never *deny* him.

Reconstruct: We all must be "*Rooster-Ready*."

TAKE IT TO **HEART**. TAKE IT **HOME**.
TAKE IT TO THE **WORLD**.

1. *Betrayal* is a decision - decide now to stand.
2. Love is the *evidence*.
3. Pray for opportunities to *proclaim*.
