

New Beginning

Dr. Daryl Donovan
Interim Lead Pastor
John 21 ESV

Happy New Year! I remember 50 years ago when revival swept across America. There was a gathering of thousands in Texas at a rally called Key 73. It was seen as a key year in God's Kingdom work! I believe 2023 is going to be a year of new beginnings! Let's meet Jesus at breakfast this morning and see what He has in mind!

As the disciples encountered the resurrected Jesus on the beach for breakfast, it launched a "new beginning" in their lives. Share around your table what you would like to see new in your life in 2023.

1. Even when your life is [surrendered](#) to Jesus, you can still go [fishing](#). But when you go fishing with Jesus, [expect](#) the unexpected!
2. Jesus shows up in the most [usual](#) and [ordinary](#) places.
3. All Jesus really asks of us is to [love](#) Him and [feed](#) His sheep.

[Draw near](#)... and He will draw near to you.
