NOTES FOR PERSONAL & SMALL GROUP STUDY

1 KEEPING IT REAL

What have you been waiting for, hoping for, but not yet seen happen? How do you keep hope alive in the wait?

2 LOOK AT THE BOOK

Consider Hebrews 11:1. What do the phrases "what we hope for" and "what we do not see" refer to. For help, see: Psalm 71, Romans 5:1-5, Romans 8:22-25, Ephesians 1:11-14, 18-22, or other verses.

3 Now read Hebrews 11:13-16. What does it mean to live by faith? Look at what follows "by faith" in Hebrews 11.

4 TAKING IT FURTHER

How can the examples of the veterans of the faith in Hebrews 11 help you to continue to wait and hope with faith in the Faithful One?
