## FOR WOMEN

### WOMEN'S GROUP

We are privileged to be "entrusted" with the gospel message, but how does this truth soak into our everyday lives? In this group, we'll look into what Scripture has to say about the connection between joy and sacrifice, and how we truly put God at the center of who we are. Through Philippians and other passages, God has a lot to say to us about living as a disciple!

This group will go through two video studies: "Philippians" by Jo Saxton (September 8-October 20) and "The Life You Long For" by Christy Nockels (October 27-November 17). Please bring your Bible and expect a small amount of preparation each week.

### JUST AMONG MOMS (JAM)

Join us for an encouraging and humorous series by Karen Ehman and Ruth Schwenk. We'll identify ten parenting myths our current culture would like young moms to believe. Karen and Ruth will help us replace those lies with the truth of God's Word, as well as practical ways to be the moms that God has created us to be. Each week, we'll watch a "Hoodwinked" video, followed by group discussion. We will also hear from a variety of speakers who will address topics relevant to us as young moms. Bring along a friend! Children are welcome to come and attend Wednesday kids groups!
